The Vice Chair welcomed everyone.

Approval of Minutes

Minutes were approved for the October meetings 7-0.

Prioritizing the trails

Joe Kelley briefed the committee on past, current and future Capital Improvement Program funding for trails. After much discussion it was decided that local funding levels needed to be increase as much as possible and not rely on grant funding. Also, these projects need to be designed and built as soon as possible.

Staff Updates

Joe Kelley updated the committee on the BMUFL signs, which was to report that there was nothing new to report. Also updated the committee on markings of protected bike lanes on New Design Road. The marking has been delayed because of the weather.

Committee Member Announcements

Shayne reported that Bike Maryland will be holding bike summit on February 8th in Annapolis. He said that three bills that they are looking to get passed this year including a bike yield at stop sign bill. Darius commented on new pavement stripping on New Design Road that allow for narrower lanes and wider shoulder.

Public Comment

Vladimir Tolskiy asked about Bike Lanes on New Design Road.
